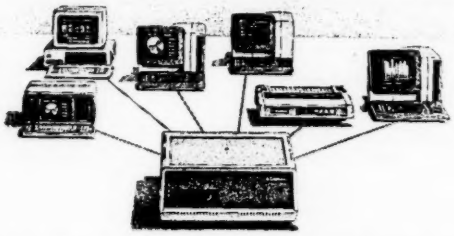
Build
On Your Original
PC Investment



A high performance multiuser computer system, one that makes it easy for your people to communicate and work together, will help more than isolated stand alone PCs.

The TRITEK PERSONAL MINI enhances any present investment you have by linking present and future PCs. You can share expensive peripherals and even work on the same program simultaneously.

TRITEK'S commitment to the law office is unequalled, and can be supported by the many law firms that use TRITEK Legal Systems, utilizing stand alone or multi-user systems.

TRITEK
The Computer Professionals

Find out why TRITEK is used and endorsed by so many law firms. Arrange for a personal demonstration in your office today.
